

Step 1

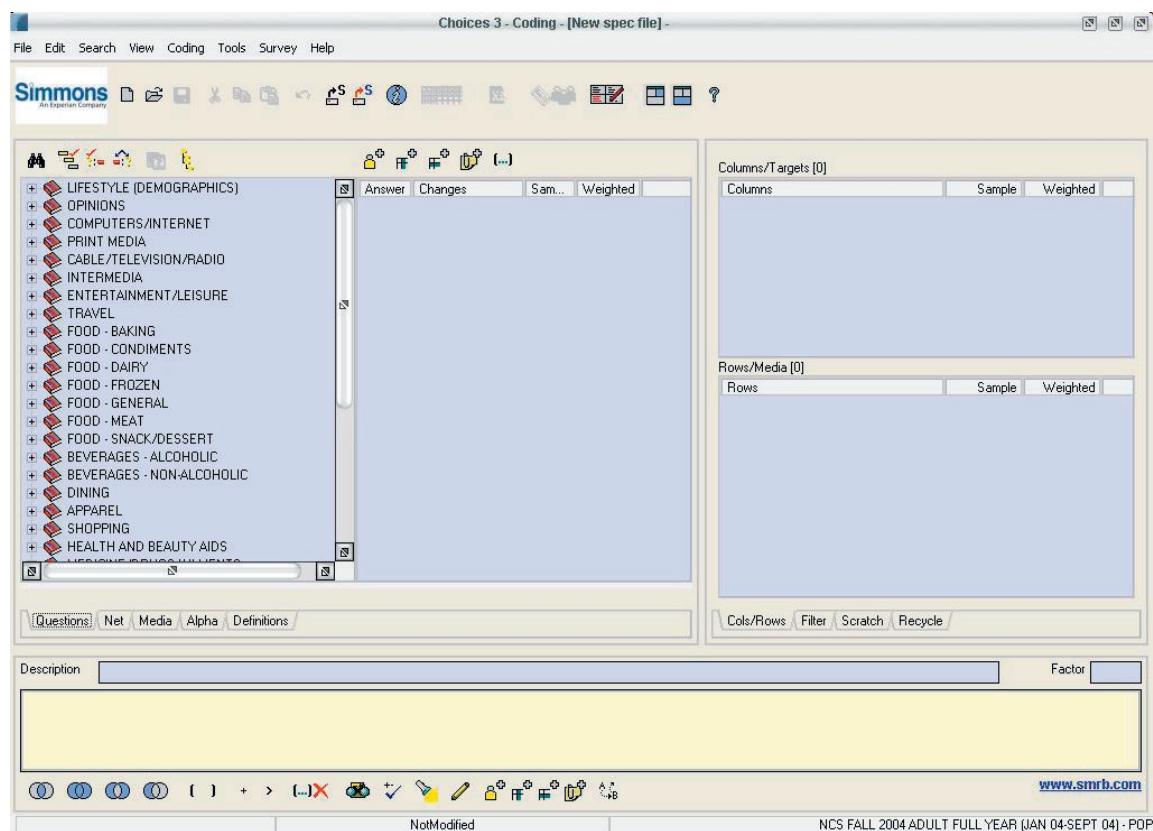

If you do not have Choices3 installed, please install the Choices3 software first

Step 2

Insert the Study Installation CD-ROM into the CD drive

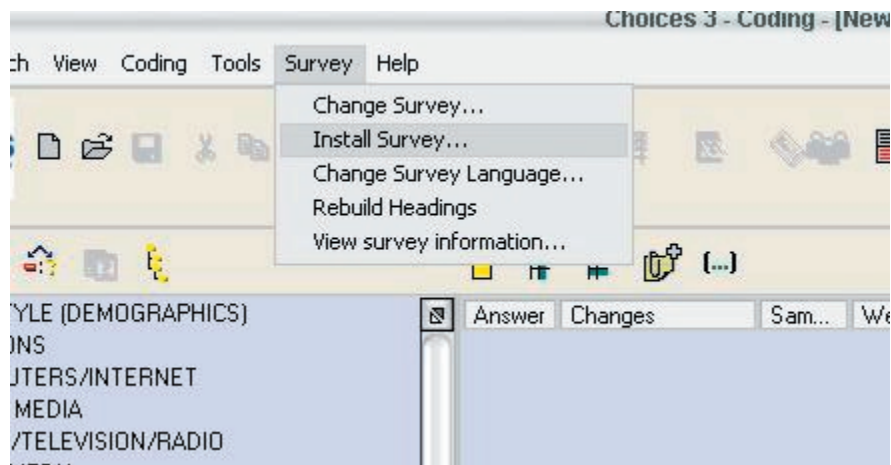

Step 3

Start Choices3

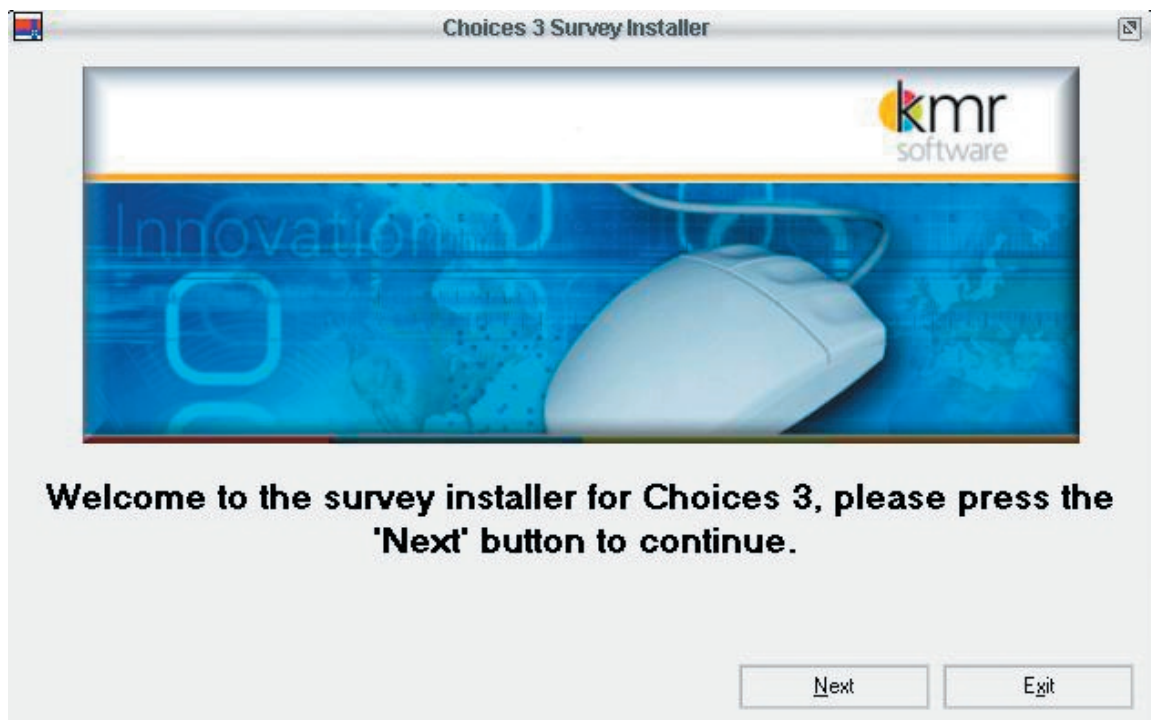

Step 4

Click on Survey → Install Survey

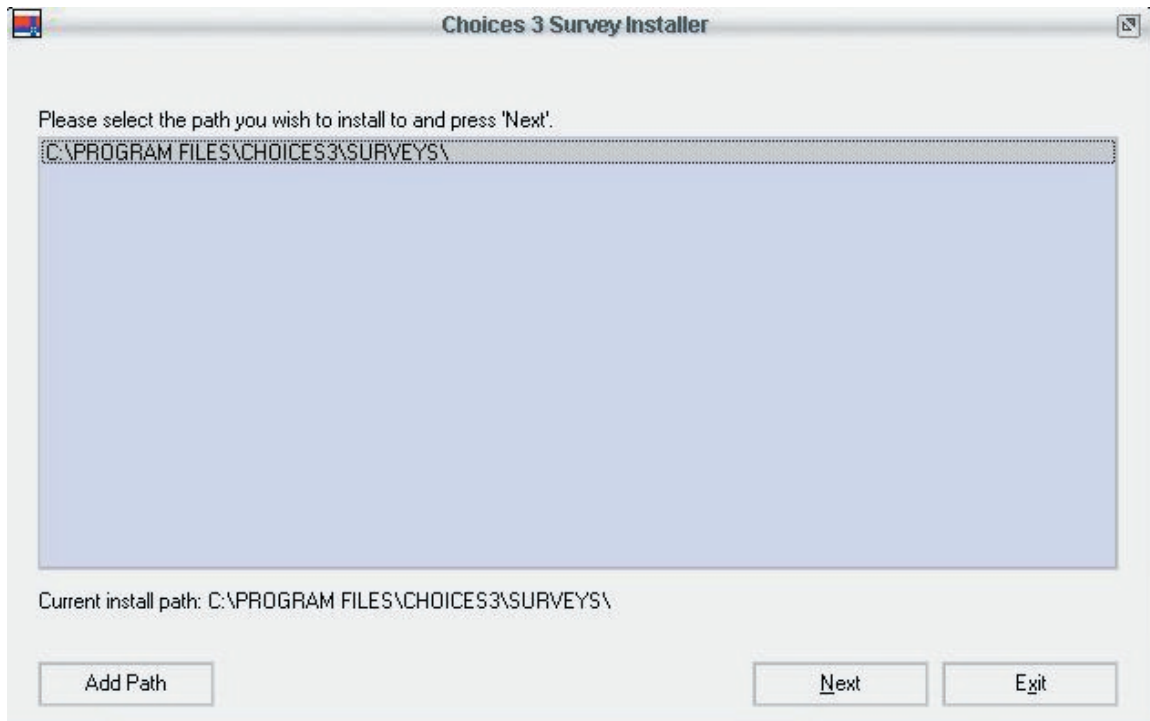

Step 5

Click Next on the screen that appears

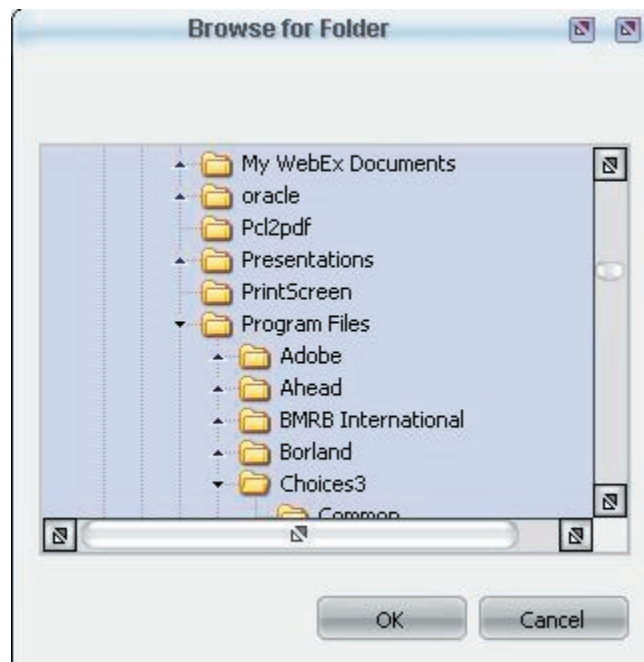

Step 6

Click Add Path on this screen. If the correct path already exists, skip to #8

Step7

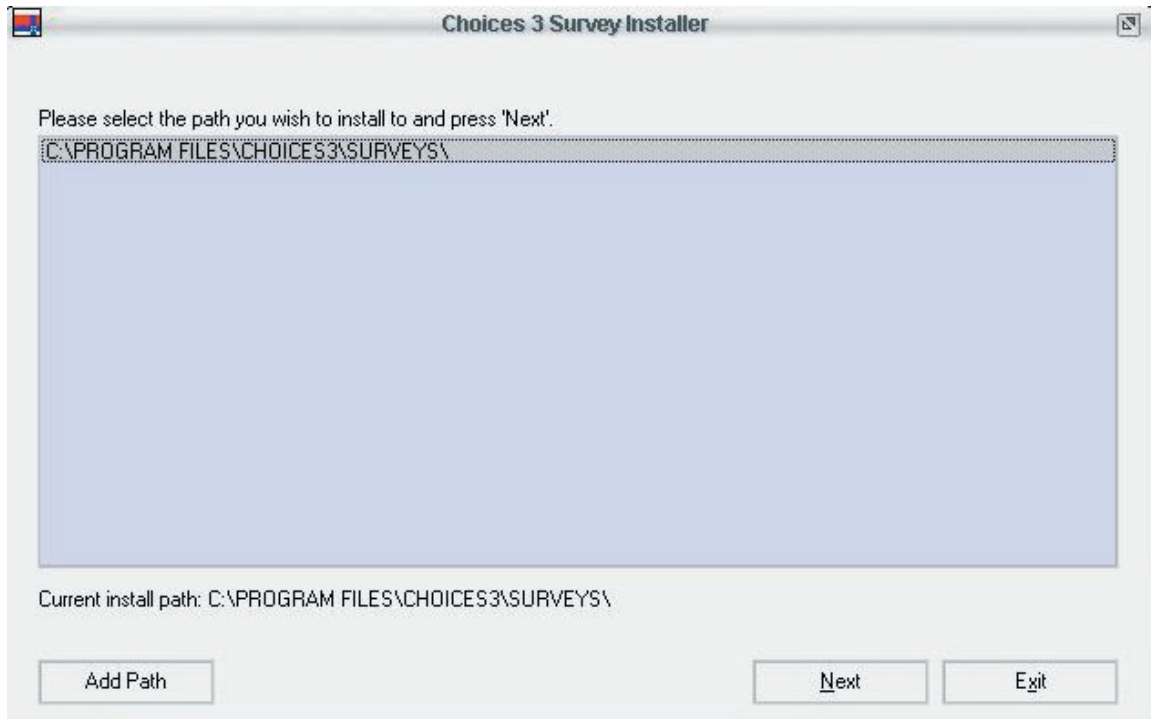

Navigate to the C:\Program Files\Choices3\Surveys directory, or wherever your surveys reside, and click OK

Step 8

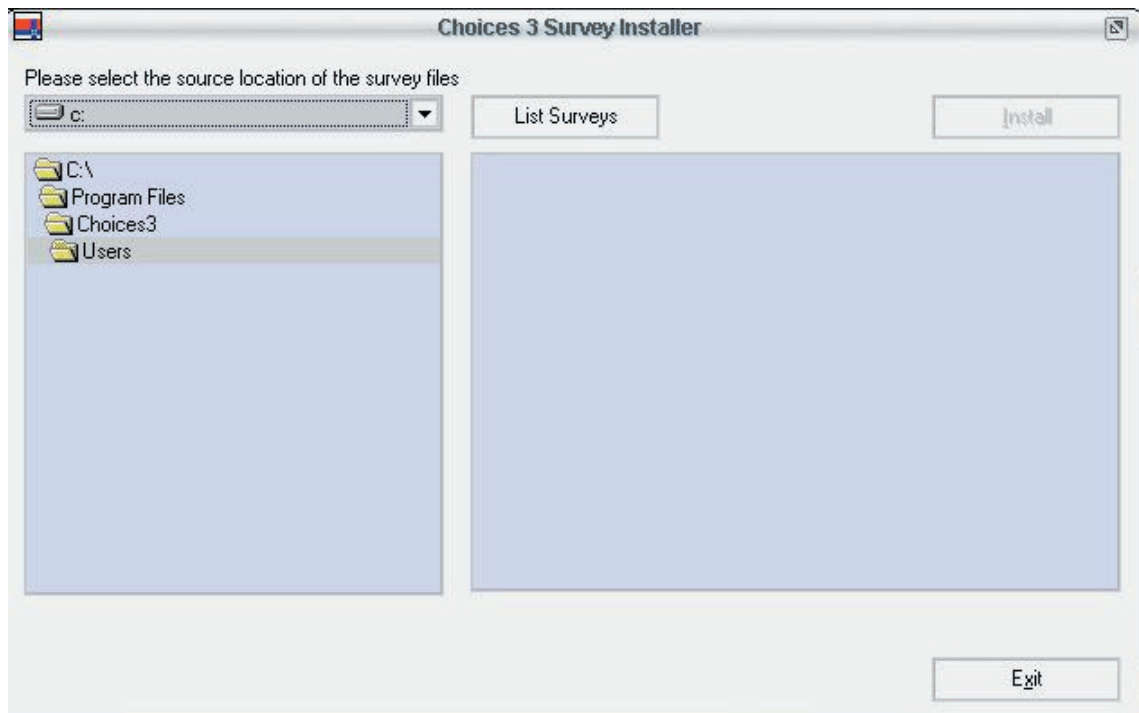

Make sure the path in the window now reads

“C:\Program Files\Choices3\Surveys” (or the path to your surveys) and click Next

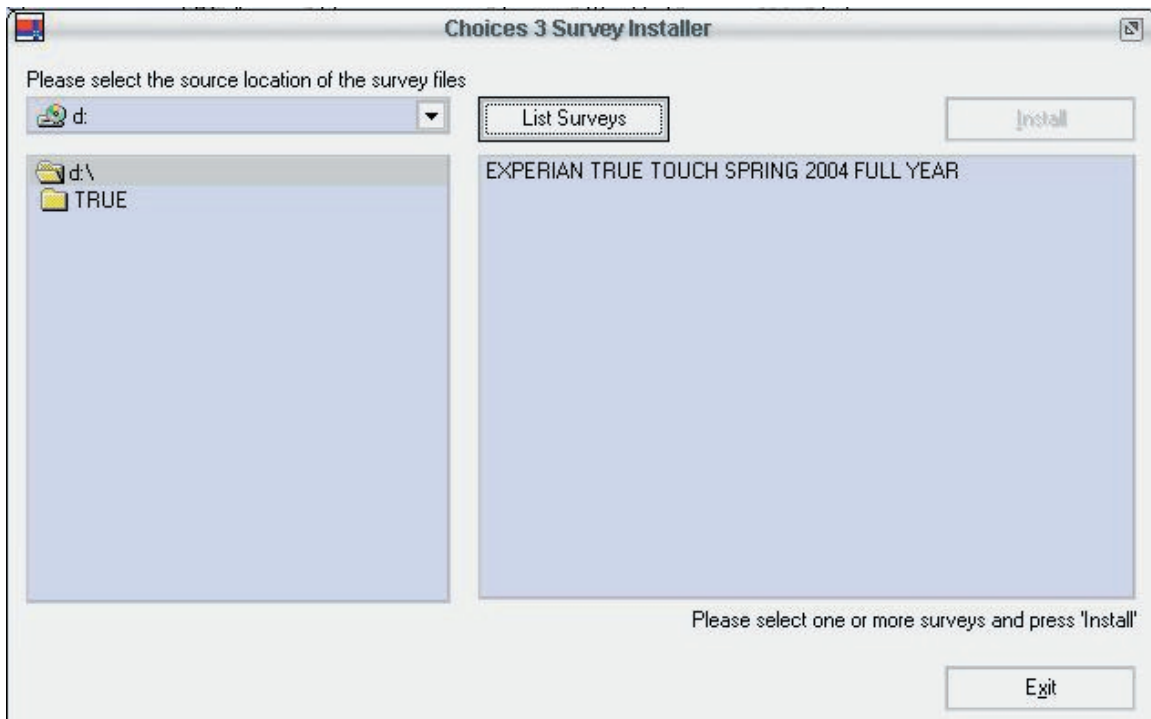

Step 9

Pull down the menu and select the CD drive

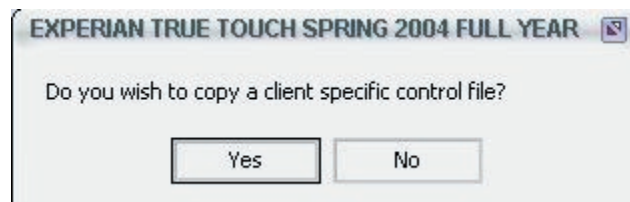

Step 10

Click the List Surveys button, Highlight the name of the survey and Click Install

Step 11

When prompted to Choose a specific control file, click NO

Step 12

Click Exit
